KRONE “Supplier of the Year 2010”

Bernard Krone Machinery Factory honored its best suppliers for the first time.

On February 23, 2010, Busatis received the award “Supplier of the year 2010” in the category “Best Performance” for quality and reliability in the delivery segment “Components”.

This award confirms that “Busatis quality” fulfills the highest demands of high-performance machines and that “Busatis service” meets continuously increasing requirements for high-performance machines.
